Child: That's a duck!

Mom: Yes, it's a duck, and what is this?

Child: A horse!

Mom: And this?

Child: That's a cow.

Mom: Where do they live?

Child: They live on a farm.

Mom: Right.

A farm is a place for growing crops like rice and wheat or for raising animals like ducks, cows and horses.

Do you know other animals that live on farms?

Child: Hens, pigs, and sheep.

Mom: Good, we are going to read a story about farm animals today.

[Cover page]

Mom: Look, there are animals on the cover.

Child: A cow, a sheep, a pig, a duck, and a chicken!

Mom: What are they doing?

Child: The chicken is singing, and the other animals are looking at it.

Mom: Oh, that's interesting. Good guess.

[page 8-9]

Mom: What do you see?

Child: I see a chicken and a goat.

Mom: Yes, I think this chicken is a hen. That means a female chicken. She is shouting, "Hurry! Hurry!" What happens to her?

[page 10-11]

Mom: Wow, the goat is jumping over the fence. Where is it going?

Child: I can see a duck too.

Mom: Yes, a duck and ducklings are looking at the goat. What comes on the next page? Can you guess??

[page 14-15]

Mom: What are they doing?

Child: They are flying!

Mom: Where are they going?

Can you find an animal other than the duck and ducklings?

Child: I see a cow.

Mom: What comes next?

Child: A cow!

[page 26-27]

Mom: All the animals on the farm are running!

Child: Where are they going?

Mom: The animals are running to the barn.

The hen is still shouting, "Hurry! Hurry!"

Child: I want to know what happens on the farm.

3. Comprehension Check-up

- 책에 등장하는 동물들을 순서대로 이야기해 봅니다.

Mom: What's the first animal in the story?

Child: A hen

Mom: Yes, then what's the next animal?

Child: There is a goat going over the fence.

Mom: Very good. Now put the pictures in the correct order.

Well done! Why did the animals come together in the barn?

Child: They are waiting for something.

Mom: What are they waiting for?

Child: A chick is coming out of the egg.

Mom: Yes, they are waiting for the moment a chick hatches out of the egg.
