

# Have You Seen My Cat?

## 1. Background Knowledge

- 여러 종류의 고양이과 동물들과 세계 여러 곳에 사는 다양한 사람들의 모습들을 간결한 문장과 아름다운 콜라주로 표현한 책입니다. 이야기 읽기 전, Cat Family(고양이과)에 속하는 여러 동물들의 이름과 특징을 알아 봅니다.

**Mom:** Now let's think about the cat family.

Why don't you tell me all the members of the cat family you know.

**Child:** A lion looks like a cat. Is it part of the cat family?

**Mom:** Right! Anything else?

**Child:** Umm.... How about a puma?

**Mom:** Very good! A puma is a member of the cat family.

And we can also call it a mountain lion.

## 2. Picture Walking

[Cover Page + Back Page]

**Mom:** This book's title is "Have You Seen My Cat?"

How many cats can you see on this cover?

**Child:** One cat and six kittens.

**Mom:** Right! But, look at the kittens carefully.

They all look different from each other. Do you know the reason?

**Child:** Well, I don't know.

**Mom:** Let's look at the book.

[Page 7]

**Mom:** A boy meets a man. What is he doing?

**Child:** He seems to be asking the man a question.

**Mom:** The boy is looking for something and the man is pointing somewhere.

What is he pointing to?

**Child:** A lion.

**Mom:** Is the boy looking for a lion?

**Child:** No, the lion is not the cat he lost.

**Mom:** You're so smart. Let's see the next page.

[Page 9]

**Mom:** Who does he meet next?

**Child:** He meets a cowboy.

**Mom:** Right! Can he find his missing cat this time?

Is it the cat that he lost?
