### Cover

Look at the cover! I see a big bear. Can you see what the bear has? Does it have a baby bear?

No, it has a teddy bear and it is running away. Isn't it funny that a bear has a teddy bear?

What happened to this bear? Do you want to look inside this book? OK.

The title of this book is Where's My Teddy? by Jez Alborough.

### Page 1-2

Wow! I see many trees. Do you know what place this is? Right it's a forest. And what do you see?

I see a little boy and he is walking into the forest alone.

Why is this little boy walking into the forest? Maybe to see something or to find something? Or does he just want to walk in the forest?

Well let's see the next page.

### Page 3-4

Look at these tall trees. They are much much taller than the boy. Will it be dark or bright in the forest?

Right it will be dark then this boy might be ... very scared.

Could you walk in the forest alone like this boy?

### Page 5-6

I still don't know why this boy is here in the forest. Look! He stops walking and looks around.

Is he looking for something?

Look at the boy's face. He looks very frightened.

Why is he frightened? Do you think he saw something? Yes? Let's look on the next page.

### Page 7-8

What do you see? I see a big teddy bear. Wow! It's much bigger than the boy.

Do you think this is his teddy bear? No? Why do you think so? Because it is too big for him?

That's a good guess.

### Page 9-10

The boy is sitting on the teddy bear. Well... if that is his teddy. It will be very hard to take it home because ...the boy is too little.

Do you want a big teddy like this?

### Page 11-12

Look! The boy is hiding behind the teddy.

I think he heard something coming and he feels scared. What did he hear?

A wolf or a ghost? OK what will we see?

### Page 13-14
