

Brighten Up Bear's World

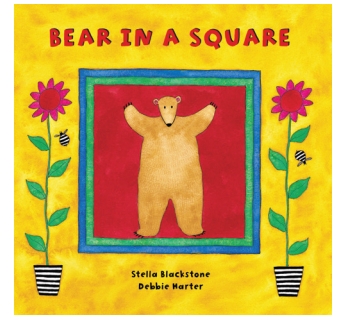

A BAREFOOT ACTIVITY FOR ALL AGES

Busy Bear loves the different seasons and has so much fun in winter! Bring some warmth to these snowy scenes with bright colors. Start with Bear himself and the two scenes included. Use your imagination to add sparkling snowflakes, big, round snowballs, or even yourself to the pictures!

Tip! ↘

Help Bear prepare for wintery weather by dressing him in warm clothing, like a striped scarf or woolly mittens!
