

The Very Busy Spider

1. Background Knowledge

- 농장에 사는 동물들은 거미와 함께 시간을 보내고 싶어하지만 거미는 집 짓기만 열심히 합니다. 농장에 살고 있는 말, 소, 돼지, 개, 양, 닭 등의 울음 소리를 따라 해보고 거미줄을 만지며 느껴보세요. 책을 읽기 전 거미에 관한 다른 책을 보면서 이야기해 봅니다.

3. Comprehension Check-up

Mom: What happened at the beginning of the story?

Child: A spider began to spin a web with its silky thread.

Mom: Why didn't the spider speak to any of the animals?

Child: She was busy spinning her web.

Mom: What happened after the spider finished her web?

Child: The spider caught a fly in her web.

Mom: How did the story end?

Child: An owl wanted to know who had made the web.

But the spider didn't answer. She had fallen asleep.

Mom: What do you think of the very busy spider? Why?

Child: I think she was rude. She ignored the other animals who wanted to play with her.

I think she was diligent and clever. She tried to do what was most important to her. And she didn't stop even though other animals asked her to play. In the end, she was able to eat and sleep well.
