

The Steves

Dress up like Steve by creating your very own beak

1. Colour in your beak
2. Cut out the beak using the thick solid lines as a guide
3. Fold along the dotted lines, creating tabs to use to stick your beak together
4. Create a hole in the side of the beak

5. Place the backs of the beak images together and match up the tabs
6. Glue the tabs together
7. Tie a string of ribbon through the holes
8. Put your beak on and be one of the Steves!
